Intellishade®

Broad-Spectrum SPF 45

Anti-aging tinted moisturizer with
sunscreen that matches every skin tone

Intellishade® reduces the appearance of fine lines and wrinkles. And gives your face a touch of sheer, healthy color. Formulated with a powerful wrinkle-reducing peptide and broad-spectrum UVA and UVB protection, it's the smart way to care for your skin.

1. CONCEALS

- Intellishade® technology matches every skin tone, every time.
- The mineral tint gives skin a touch of pure, healthy color and helps to even out skin tone.
- Intellishade® Original has a moisturizing feel with a radiant finish. Intellishade® Matte is for skin types that prefer a matte finish.

2. CORRECTS

- Years of sun exposure result in extensive photodamage expressed outwardly as hyperpigmentation, deep lines and wrinkles. ACS-456, a proprietary concentrate of ingredients, works to reduce the appearance of fine lines and wrinkles.
- Clinical levels of the powerful peptide Palmitoyl Tripeptide-5 helps improve skin elasticity and firmness.
- The matte formula contains Lysophosphatidic Acid and Lysolecithin that work together to reduce pore size.

3. PROTECTS

- An SPF 45 with UVA and UVB broad-spectrum coverage.
- A micronized form of zinc oxide delivers maximum protection while maintaining a weightless feel.
- Contains a unique blend of antioxidants for added sun protection.

All the coverage, sun protection
and daily moisture you need in
one anti-aging product.

“The label reads ‘Intellishade® SPF 45 Tinted Moisturizer.’ What an understatement! With its unique blend of antioxidants and wrinkle-reducing peptides, this lightweight formula provides broad spectrum UVA and UVB protection. But what keeps my patients coming back for more is the radiant glow they see in the mirror. Intellishade® is the smart choice in skincare for today’s busy woman.”

– Vivian Bucay, MD, FAAD

What physicians and patients are saying about Intellishade®

“Intellishade® is very popular with active, on-the-go women because it’s fast and simple. It does three great things with one application in the morning: It’s a moisturizer, sunscreen and great tinted makeup base.”

– C. William Doubleday, MD, FAAD

“I had a patient with Vitiligo come in. She was nearly in tears because she loved the way Intellishade® evened out her skin tone. It made my day.”

– Darcy Mlejnek, Parkinson Dermatology Skin Care

“Intellishade® is brilliant. I love that it’s an SPF 45 and a tinted moisturizer that matches any skin color. It’s a very popular product with my clients, who have tried just about everything.”

– Jennifer Waring, Advanced Clinical Aesthetics, Inc.

MAKE INTELLISHADE® PART OF YOUR DAILY SKINCARE REGIMEN

Years of research and study went into the formulation of Intellishade® to bring you a high SPF product that is cosmetically elegant. A tinted anti-aging moisturizer you'll enjoy using because it feels like silk, matches your skin tone and gives your face sheer, healthy color.
