Intellishade®

Broad-Spectrum SPF 45

Anti-aging tinted moisturizer with sunscreen that matches every skin tone

Intellishade® reduces the appearance of fine lines and wrinkles. And gives your face a touch of sheer, healthy color. Formulated with a powerful wrinkle-reducing peptide and broad-spectrum UVA and UVB protection, it's the smart way to care for your skin.

1. CONCEALS

- Intellishade® technology matches every skin tone, every time.
- The mineral tint gives skin a touch of pure, healthy color and helps to even out skin tone.
- Intellishade® Original has a moisturizing feel with a radiant finish. Intellishade® Matte is for skin types that prefer a matte finish.

2. CORRECTS

- Years of sun exposure result in extensive photodamage expressed outwardly as hyperpigmentation, deep lines and wrinkles. ACS-456, a proprietary concentrate of ingredients, works to reduce the appearance of fine lines and wrinkles.
- Clinical levels of the powerful peptide Palmitoyl Tripeptide-5 helps improve skin elasticity and firmness.
- The matte formula contains Lysophosphatidic Acid and Lysolecithin that work together to reduce pore size.

3. PROTECTS

- An SPF 45 with UVA and UVB broad-spectrum coverage.
- A micronized form of zinc oxide delivers maximum protection while maintaining a weightless feel.
- Contains a unique blend of antioxidants for added sun protection.

All the coverage, sun protection and daily moisture you need in one anti-aging product.

66 The label reads 'Intellishade® SPF 45 Tinted Moisturizer.' What an understatement! With its unique blend of antioxidants and wrinkle-reducing peptides, this lightweight formula provides broad spectrum UVA and UVB protection. But what keeps my patients coming back for more is the radiant glow they see in the mirror. Intellishade® is the smart choice in skincare for today's busy woman.

- Vivian Bucay, MD, FAAD

What physicians and patients are saying about Intellishade®

Intellishade® is very popular with active, on-the-go women because it's fast and simple. It does three great things with one application in the morning: It's a moisturizer, sunscreen and great tinted makeup base.

- C. William Doubleday, MD, FAAD

I had a patient with Vitiligo come in. She was nearly in tears because she loved the way Intellishade® evened out her skin tone. It made my day.

– Darcy Mlejnek, Parkinson Dermatology Skin Care

Intellishade® is brilliant. I love that it's an SPF 45 and a tinted moisturizer that matches any skin color. It's a very popular product with my clients, who have tried just about everything.

- Jennifer Waring, Advanced Clinical Aesthetics, Inc.

MAKE INTELLISHADE® PART OF YOUR DAILY SKINCARE REGIMEN

Years of research and study went into the formulation of Intellishade® to bring you a high SPF product that is cosmetically elegant. A tinted anti-aging moisturizer you'll enjoy using because it feels like silk, matches your skin tone and gives your face sheer, healthy color.

GUARANTEED TO REDUCE THE SIGNS OF AGING ON THE NECK

Nectifirm® has been formulated to address the changes that occur as the skin on your neck ages. It contains powerful ingredients designed to rejuvenate your neck area by treating it differently than the skin on your face.

Backed by years of scientific research, Nectifirm® was specifically created to provide dramatic visual results in the overall appearance of the neck. Plant extracts, antioxidants and unique biotechnological blends work cohesively to create a smoother, firmer, youngerlooking neck.

You will see and feel immediate and long-term results with Nectifirm. We guarantee it.

66 Nectifirm® is the best product for the neck. Patients notice an immediate difference in tone, texture and firmness. It's one of our best sellers and I wouldn't go a day without it.

- Mark Youssef, MD, YOUnique Medical Spa

What physicians and patients are saying about Nectifirm®

66 I have been using Nectifirm® for the past six months and I absolutely love it. I've always worn turtlenecks to cover up my crepey neck. Now that my neck is smooth, I've packed all my turtlenecks away.

- Pat Jacobs, Patient, Salt Creek OB/GYN

66 My clients love the plumping and hydrating properties of Nectifirm. They see a definite difference in the quality of their skin - Amy Taub, MD, Advanced Dermatology

66 Although I was highly skeptical when offering the product to patients initially, each patient to date has been remarkably responsive to this product.

- Richard Sturm, MD, Peachtree Dermatology

Frequently Asked Questions

1. Which skin types benefit from Hydrating Serum?

Hydrating Serum® provides hydration for all skin types including oily, sensitive and dry. The Smart Hydration technology helps provide moisture uniformly to where it's most needed.

2. Which ingredients provide hydration to the skin?

There are 2 forms of Hyaluronic Acid which provide long and short term hydration. A blend of fruit extracts including Watermelon Extract helps keep the skin moisturized evenly.

3. Can Hydrating Serum be used with other products?

Yes, because of its light, oil-free texture, Hydrating Serum can be worn alone or layered with other products. Apply Hydrating Serum first before other creams and it acts as a moisture booster.

4. Does this product contain ingredients to help reduce the appearance of fine lines and wrinkles?

Yes, Hydrating Serum contains Palmitoyl Tripeptide-5 and Hydrolyzed Hazelnut Protein, both shown to smooth the appearance of fine lines and wrinkles. Hyaluronic Acid immediately plumps the skin for a firmer appearance. It is also formulated with Vitamin E and Pomegranate Extract for antioxidant benefits.
